03/09/2016	<u>6</u>	TEXT ORDER: Pursuant to Federal Rule of Civil Procedure 26(f), the parties shall confer for the purposes set forth in Rule 26(f)(2) and to propose a Case Management Order that will establish outside cut-off dates for the further progress of this case, including: (1) motions to amend the pleadings or add parties; (2) to the extent required in this case, commencement and completion of all fact discovery; (3) to the extent required in this case, completion of all expert discovery, including strict compliance with Fed. R. Civ. P. 26(a)(2) regarding the identification and filing reports of testifying experts; (3) motions to compel; and (4) a proposed briefing schedule for any dispositive motions, including a proposed briefing schedule for Plaintiff's motion <u>5</u> for a Vaughn index. Because this matter appears to be exempt from Rule 26(a)'s initial disclosure requirements (see Rule 26(a)(1)(B)(i)), the parties' proposed Case Management Order need not establish outside cut-off dates for Rule 26(a) disclosures. Further, because this case largely involves judicial review of administrative action, the Court, pursuant to Section 2.2(D) of the Court's ADR Plan, sua sponte exempts this case from automatic referral to the Court's ADR program. Thus, the parties need not address issues related to ADR in their Rule 26(f) report. The parties shall file their Rule 26(f) report on or before March 30, 2016. Any failure by a party or the party's attorney to participate in good faith in the development and submission of a proposed discovery plan required by Rule 26(f) or this Text Order may result in the award of expenses and attorney's fees to the other party caused by such failure. See Fed. R. Civ. P. 37(g). SO ORDERED. Issued by the Hon. Richard J. Arcara on March 9, 2016 (CMK). (Entered: 03/09/2016)
